

## St Anne's Catholic Primary School

23<sup>rd</sup> June 2023

Dear Parent/Carer,

I am delighted to share with you our recent OFSTED report. This inspection was a Section 8 OFSTED inspection. This is an OFSTED inspection where the overall grade is not changed at this time unless there is a serious issue or inspectors decide they would like to revisit to undertake a Section 5 inspection, which can then change the grading.

I would like to take this opportunity to thank all the amazing children in our school for showing the inspectors just how incredibly caring, talented and hardworking they all are. They are a credit to our school and I am immensely proud of them all.

I'd also like to thank all of the exceptionally hardworking members of staff who work in our school. The daily commitment, dedication and willingness to always go the extra mile to make our school the amazing place to be it is, is nothing short of inspirational.

And last but certainly not least, I'd like to thank our parents, carers and families for always working with us and being part of our school community and family. Your support is so valuable to us and without it we wouldn't have been able to achieve all we have.

We are all very proud of the report which celebrates the schools success and lets us know the next steps that we need to take to make St. Anne's even better than it is now.

Once you have read the report, if you have anything you'd like to discuss please feel free to contact the school to speak to me. My door is always open.

Yours Sincerely

Mrs Sonia Fraser  
**Executive Headteacher**
