School Meal Patterns

Dear Parent/Carer,

As you may be aware, we are moving away from ParentPay at the end of this month. From 1st November, we will be using Arbor Pay. Currently, in ParentPay, you can book a meal for your child and select a meal choice, however, in Arbor, your child's lunch will now be based on a meal pattern, and they will select their choice each day at the kitchen hatch. The current menu will remain in place. A copy has been attached to this letter for reference.

To prepare for this change, we need to obtain a meal pattern for your child. You will be able to review this on a half termly basis. When your child is marked as being present on the register, it will automatically select their meal type, based on their meal pattern (school meal, packed lunch). This change will allow school to spend more time on learning and teaching. Completed meal pattern slips must be returned by **Friday 25th October**. This will allow us to build the meal patterns over the half term break, ready for when we return on Tuesday 5th November.

School meal payments should continue to be made in advance. You can do this by clicking on accounts in the Arbor App, selecting meals and then clicking Top Up Account. You can then enter the amount you wish to pay and then pay by card. When your child is marked as being present, Arbor will automatically allocate their meal type and then reduce their school meals balance accordingly. Payment in arrears is **not** permitted. Where applicable, special dietary menus will continue to be in place.

Your sincerely,

Mrs L Stokoe
Executive Headteacher
