

St Anne's Catholic Primary School

28th November 2025

Year 6 'Make £5 Grow' - The Grainger Market, Newcastle.

Dear Parent/Carer,

On Tuesday 16th December, Year 6 will be taking part in Virgin Money's 'Let £5 Grow'. This is an opportunity where the children come together and they think of different ways in which they can make and sell products. Each child has £5 and in teams of their choice they have come up with some excellent ideas of products they can sell that will be interesting and exciting to their buyers.

The children will be setting up their own stalls and will be selling their products **between 9.30 and 11.30am inside Newcastle's Grainger Market**. It would be great to see as many of our St. Anne's family there to come and support the children if you were able.

Any products that are not sold at The Grainger Market will be brought back to school and Year 6 will be selling them to the children in school on the afternoon. All year groups will have the chance to go and purchase something until products are sold out.

Over the next two weeks, Year 6 will be making a wide range of products including: Christmas gifts, bracelets, reindeer hot chocolate, keychains, cupcakes, decorative stones, crispy cakes and lots more. If children do want to bring some of their own products from home to help make things such as bracelets, keyrings etc that is fine but there is no pressure for your child to do so.

Year 6 will be going to see Fenwick's Window before heading back to school at 12pm and it is always a lovely opportunity to explore the festive cheer around Newcastle at this time of year.

If you have questions regarding the event, please do not hesitate to contact school. Thank you as always for your support, Year 6 are very much looking forward to their big event, and they are excited to see how much profit they can make from their £5.

Your sincerely,

Mrs C Henry
Assistant Headteacher
