

St Anne's Catholic Primary School

**Year 1 trip to the Centre for Life**

3<sup>rd</sup> June 2026

Dear Parents and Carers,

On Wednesday 24th June, Year 1 will be going on a trip to the Centre for Life in Newcastle as part of their Science learning and development. Whilst at the centre, the children will complete a tour taking part in various activities, complete 'Fossil Finders' workshop where they will be palaeontologists, visit the Dino exhibition and also have a visit to the planetarium.

The children will travel via coach to the centre, leaving school at 9.30am and will return to school for 3pm in time for usual collection at home time. Children must wear school uniform for the trip and bring a packed lunch and water bottle with them for the day. If you require a school provided packed lunch please let the school office know by Wednesday 10th June, along with their choice of sandwich (ham, cheese or tuna).

The parental contribution for this trip is £15 (to cover activities and travel expenses). This trip is now available to book on Arbor, if you have any difficulty accessing the Arbor app, please contact the school office.

Any questions, do not hesitate to contact school.

Yours sincerely,

Mrs K Watkins

**Head of School**
